Subject: [Bruce] 2018 Annual Brucellosis Conference meeting announcement

Dear Folks –

Attached please find this year's meeting announcement and an abstract sample. Online registration for credit card users will be available using a third party online service, and details will be sent in a separate email once the meeting link has been confirmed.

Once again as a CRWAD satellite group, we will benefit from the association with discounted room rates and meeting arrangements. Please use the CRWAD website (<https://crwad.org/>) to make your hotel reservations or telephone one of the numbers in the announcement.

CRWAD has made some changes this year so some of their sessions will conflict with our meeting. They are partnering with PosterPresentations.com to provide discounted poster printing with free shipping to the conference site. They are allowing us to take advantage of this service; further details may be found on their website (<https://crwad.org/posters-information/>). We are restricting poster size to no larger than 4 ft x 4 ft. You are not required to use this service.

If you wish to present your research at CRWAD, their late breaking research report deadline is October 1. Our abstract deadline will be **October 19**. Remember that attendance at both meetings requires a registration payment for each meeting.

I look forward to seeing you all in December. Take care and please contact me or one of the other officers (listed below) if you have any questions. Thanks, Sue

Chair: Diego Comerci dcomerci@iibintech.com.ar

Vice Chair: Jacques Godfroid jacques.godfroid@uit.no

Vice Chair Elect: Angela Arenas amarenas@tamu.edu

Past Chair: Ramesh Vemulapalli RVemulapalli@cvm.tamu.edu
